Pat Cost  
Lynchburg City Council  
Lynchburg, Virginia 24501

Dear Ms. Cost:

I would like to request an opportunity to make a short presentation at the city council meeting to be held on Tuesday afternoon at 5 P.M., September 24, 2002. I will keep my remarks brief and to the point of supporting the removal of the African-American facial icon and replacing it with an image that is more respectful of our African-American citizens.

Respectfully,
